

Marko Melishchuk

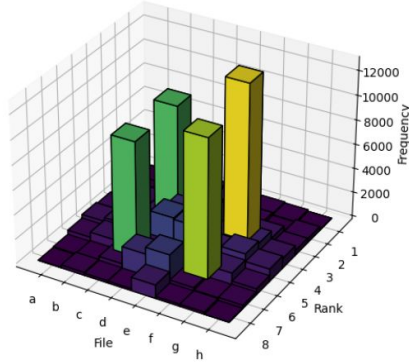

The 10,000 chess games I've played

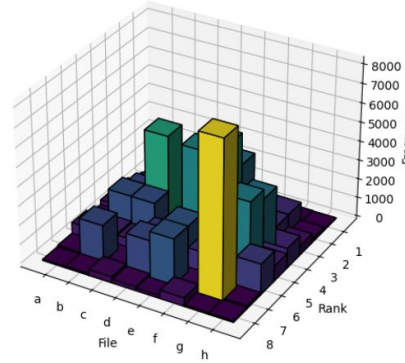

Pawn Move Frequency

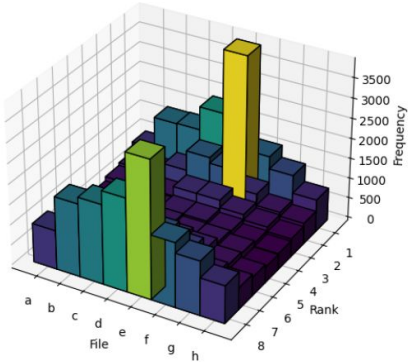

Knight Move Frequency

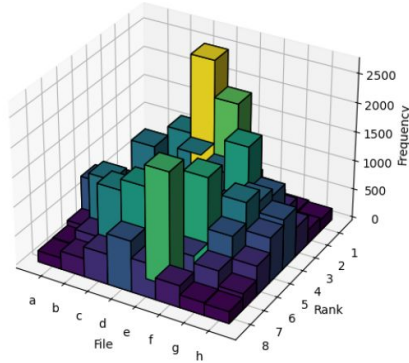

Bishop Move Frequency

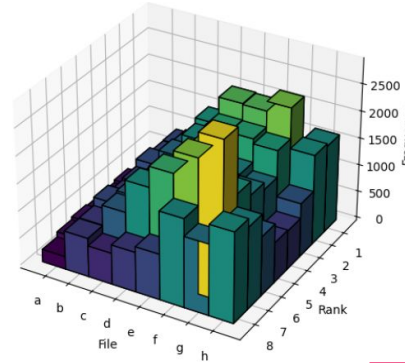

Rook Move Frequency

Queen Move Frequency

King Move Frequency

- This is the visualization of where I move my pieces on the chessboard.
- Each column is a square
- Notation: Qf7 = Queen to the square F7.
- Data from my chess.com API profile
- My playstyle is towards the center of the board
- This shows my play with both the white and black pieces
